

Firelands Fly Fishers Library

Mike Janosko is our club librarian and has a very special bag full of the items listed below. Materials can be “checked out” or borrowed for one month. Just sign out the item and leave a \$5 deposit at one of our meetings and return it at the next meeting and get your \$5 back! We are also accepting donations of books or DVD’s to the library! Please note, in order to protect Mike’s casting arm, he will not be bringing the big bag of books and DVD’s to each meeting – however you can request and reserve an item by e-mailing Mike at mjanosko@aol.com. This list will be included on our website at www.firelandsflyfishers.org and updates will appear in *the indicator*.

DVDs
